UltraPlast is a hi-tech company specializing in a wide variety of cassettes and plastic containers.

Characteristic of all UltraPlast products is the very high level of quality resting on integrated control of production processes.

Also characteristic is the ability to deliver immediate and effective solutions based on sizeable, well-functioning central storage facilities.

Behind each and every one of UltraPlast's production lines lies a solid foundation of experience combined with the pleasure of fulfilling specific needs as well as seeing opportunities in new situations. Based on our existing production lines, new market solutions are readily available.

UltraPlast is a top qualified partner in the production development phase due to our focus on customer's needs.

UltraPlast gladly makes it's solid knowledge base, production capacity and experience base available to create new ideas and products.

Whether products from storage or specific solutions are involved, UltraPlast is a strong partner.

We hope to continue to be a part of the solution for your packaging needs.

We deliver intelligent packaging solutions and specialize in combining form, colour and choice of material (PS | PP | ESD) in order to achieve the optimal solution for the task in hand.

UltraPlast er en højteknologisk virksomhed med speciale i fremstilling af et bredt sortiment af systemkassetter og plastæsker.

Karakteristisk for alle UltraPlast produkter er det meget høje kvalitetsniveau med en integreret kontrol i samtlige produktionsprocesser, samt en omgående og effektiv leveringsevne, baseret på et stort, velfungerende centrallager.

Bag hver enkel af UltraPlast's produktionslinjer ligger stor erfaring, kombineret med glæden ved at kunne opfylde specifikke behov og se mulighederne i nye situationer.

Med baggrund i den eksisterende produktion findes de nye løsninger til markedet.

For netop med fokus på kundernes behov er UltraPlast en top-kvalificeret partner i produktionsudviklingsfasen.

UltraPlast stiller gerne sin store viden og erfaring til rådighed for at udvikle nye ideer og produkter.

Hvad enten det handler om produkter fra lager eller specifikke løsninger, er UltraPlast en stærk partner.

Vi håber, vi fremover må være med i løsningen af Deres emballageopgaver.

Vi arbejder med intelligente emballageløsninger og er specialister i at kombinere form, farve og materialevalg (PS | PP | ESD) og derved opnå den optimale løsning for den stillede opgave.
